

# Do you know your options to **access** health care?

1

Call your Family Doctor's Office **FIRST**.

For **non-emergency** medical concerns or routine appointments, including after-hours care.

If you don't have a Family Doctor/Nurse Practitioner, go to **Health Care Connect** website or call **1-866-532-3161**.

2

If you have **urgent** medical questions or concerns, call **Telehealth Ontario** at **1-866-797-0000**.

A Registered Nurse will take your call **24/7**.

3

For a **non-emergency** medical concern, visit an After-Hours Care Clinic or community Walk-in Clinic. Check **online** or your **local phonebook** for listings.

For a **medical EMERGENCY**:

**ALWAYS** go to your local Hospital Emergency Department or CALL 911.

**Guelph General Hospital - 115 Delhi Street**
